SIR,

SUBJECT - Sanction to additional staff and enhancement of contingency in the Municipal High School, Birur

In submitting herewith copies of the resolutions of the Managing Committee of the Municipal High School, Birur, and the Local Municipal Council regarding the appointment of four additional graduate teachers o Rs 52/- per mensem each in grade Rs 40-4-60 during the year 1945-46 and the enhancement of the contingency of the school from Rs 8/- to Rs 12/- per mensem with effect from 1-7-1945, I have the honour to state that there is a slight discrepancy in the resolutions, as that of the Municipa Council mentions only three additional teachers while the resolution passed by the Managing Committee mentions four The extra cost involved on this account as mentioned in the resolution of the Managing Committee of the school is Rs 1,872/- per annum, while it should be Rs 2,496/- per annum for four teachers at Rs 52/- per mensem The Municipal Council have agreed to meet the extra cost on account of the increased staff as well as enhancement of the contingency It is reported that only two additional teachers on Rs 52/- per mensem each in grade Rs 40-4-60 have been appointed during the current year, the other two being proposed to be appointed next year when there will be an additional section in the

the III Year Class I have to mention in this connection that as the management pleaded their inability to bifurcate the II Year Class for want of accommodation which difficulty I found to be real I permitted the management, as a special case, to have a single section of that class with a strength of 65 pupils this year But they have been definitely told that they should have two sections of the III Year Class next year and that they should limit admissions to the maximum of 50 pupils per section, if they cannot open additional sections

Since there is need for incurring the additional items of expenditure proposed by the management and the local Municipality have agreed to bear the extra cost, I recommend that Government may be pleased to sanction (1) the increase of the contingency from Rs 8/- to Rs 12/- per mensem with effect from 1-7-1945 and (2) the appointment of 4 additional graduate teachers on Rs 52/- per mensem each in grade Rs 40-4-60, of whom two have already been appointed this year and the remaining two are proposed to be appointed next year The entire extra cost may be ordered to be met from the funds of the local Municipality

I have the honour to be,

Your most obedient servant

DIRECTOR.
